

On-Demand Content Guide: How to Access Pre-recorded Lectures

Access On-Demand Content

Welcome to the AAP Addictions and Their Treatment On-Demand Content Guide. As a registrant of the 2026 Addictions and Their Treatment course, in addition to the diverse topics relevant to addiction psychiatry, which will be presented during the two-day live course on Friday, September 11 and Saturday, September 12, 2026, you also have access to 13+ high-quality lectures given by expert presenters. Lectures range in length and are immediately available to you.

Please note: Pre-recorded lectures are content originally offered in either our 2023 or 2025 Addictions and Their Treatment course.

Read on for instructions and visual guides to access the on-demand lectures.

PLEASE NOTE:

- **Live Session Credit Claiming Expiration Date:** November 11, 2026
Credit is available after the live sessions end and you've completed the course evaluation.
- **On-Demand Content Credit Claiming Expiration Date:** December 31, 2028
Credit for on-demand content is claimed as you complete each on-demand session, not all at once.
